Name of Event	Cleaning of College Campus
	Date: 20Aug.2015
Description of Event:	
<ul style="list-style-type: none"> ➤ We learned about gratitude and humility that so many people had a hand in our success, from the teachers who inspired us to the janitors who kept our school and collages clean... and we were taught to value everyone's contribution and treat everyone with respect. ➤ Cleaning is important for the health and safety. ➤ Maintaining a clean college environment sets a good example to students. It encourages learners to take pride in their university or college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. ➤ Cleanliness is incredibly important when it comes to cutting down on the spread of diseases in the college and means that staff and students are able to enjoy a comfortable learning environment. It also improves hygiene levels and can help to reduce the spread of sickness. ➤ College campus has been cleaned by NSS student on the occasion of YIN (Sakal News media Youth Network) Day ➤ NSS student actively participated in this event to clean the college campus
