## Steps To Install MATLAB on Personal Computer/Laptop

1. Click the download button for the current release. (Users can also download previous releases here).
2. Choose a supported platform and download the installer.
3. Run the installer.
4. In the installer, select Log in with a MathWorks Account and follow the online instructions.
5. When prompted to do so, select the Academic – Total Headcount license labeled Individual.
6. Select the products you want to download and install.
7. Click "finish" to complete the activation process.
