## **Details of Visit**

Date of Visit: 13th February 2024

### **Details of Industries:**

400 KV RS (O&M) Division,

Babhaleshwar,

Dist.: Ahmednagar Pin:413737

Mail-ee5130@mahatransco.in

### **Company Profile:**

Kudus Line is a 400kV overhead line with a length of 447km from Babhaleshwar, Maharashtra, India, to Kudus, Maharashtra, India.

The project, which is currently under construction, is expected to be commissioned in 2021.

Babhaleshwar – Kudus Line is an overhead line that will be operated by Maharashtra State Electricity Transmission. The line will carry alternating current (AC) through double circuit cable.

Maharashtra State Electricity Transmission Co Ltd (MSETCL) is a power transmission company that offers electricity generation and transmission services. The company offers services such as electricity supplying and distribution, power energy generation and transmission, supplier services, tendering, planning, project implementation, transmission lines and EHV substations operations, and power systems controlling, management, operation services, and others. MSETCL's also carries out power transmission network operations and management, robust transmission network establishing, communication network operations, optic fibre communication system and other related services.

All publicly-announced T&D Line & Substation projects included in this analysis are drawn from Global Data's Power IC. The information regarding the projects is sourced through secondary information sources such as country specific utility players, company news and reports, statistical organizations, regulatory body, government planning reports and their publications and is further validated through primary from various stakeholders such as power utility companies, consultants, energy associations of respective countries, government bodies and professionals from leading players in the power sector.

# SE, TE & BE INDUSTRIAL VISIT STUDENT UNDERTAKING

I Undersign Mr./Miss

Students SE, TE&BE

Electrical Branch under take to full fill requirement of college towards maintaining the discipline during the visit. I will not participate into any undesirable activity which will causeproblem for me also for others, I shall show due respect to staff members. I shall beresponsible for my misbehavior. It is the right to higher authority to take any action againstmeiffoundguilty/ any misbehaveactivity.

Place of Visit:

400KV RS (O&M)

Division,

Babhaleshwar

Date of Visit:

13/02/2024

Thanking You,

Yours Faithfully

## **Student Opinion**

### Miss.SandyaShinde

We really had a great time during visit hours. We had enjoyed the hours we spent on the visit. Alsowegot known about the plant formats of their workings etc.

### Mr.Sanap Vaibhav

Fantastic tour, awesome memories & unforgettable footprints in my mind ever so. This tripbroughtus together and helpedto understand teacher student relationship.

### **Mr.Mulay Harsh**

The most I like about the visit was the conclusion of the industrial visit told by coordinatorSir tome.

#### Miss. Shelke Sarika

It was one of the memorable visit which I had and it was really pleasure to have such awonderful industrial visit. We had many opportunities to have practical knowledge aboutmany things related to the technology and day to day life. We have visited many holy placesandverywonderfulfeelingsaftervisitingtemple.Ithankourteachers forarranging suchtrip.

#### Mr.Thange suyash

The most interesting thing about the visit was we get a chance to visit PLC unit from innerside.ThePlant was goodand wegot practicalknowledgethere.

# **Vote of Thanks**

We would like to thank our principal Dr.UdayP.Naik, PDVVPCOE, Ahmednagar, HOD Electrical engineering Department, Dr. A. R. Laware Sir for giving us the opportunity to go for such an unforgettable technical visit. So we would like to thank to all who help us in every manner to make this visit successful. We would also like to thanks visit incharge Mrs.M.H.Nerkar and staff S.K.Awaze, Mr.A.V.Musmade.

Now, special thanks to. 400KV RS (O&M) Division, Babhaleshwar, for their support, and all information about generation of electricity which made visit memorable.

Industrial Visit Report

Date:-02/11/2023

Class: - BE

Time:-10.15am

Venue:- Ahmednagar

Nature of Event (Intern/FW/IV):-Technical Visit to Water Treatment Plant MIDC A.Nagar

Name of Company: - E&M Sub Division Water Treatment Plant MIDC Ahmednagar

Address of Company: - MIDC Ahmednagar 414101.

Name of Staff: - Prof.R.A.Darandale

Name of Delegates: - Mr. Shende Sir

Description of the Event:-Industrial visit for subject PLC & SCADA was arranged for final year Electrical Engineering students on 02/11/2023 to E & M Sub Division, Water Treatment Plant MIDC Ahmednagar. The purpose of the visit was to make the students familiar with the Automation used in Water Treatment Plant using PLC & SCADA.

#### 1. Objectives-

- To make the students understand the fundamentals of automation and various automation systems used in the industry, such as PLC. .
- To develop the architecture of SCADA, explaining each unit in detail.

#### 2. Outcomes:

Students are able to

- Develop and explain the working of a PLC
- Classify input and output interfacing devices with PLC.
- Develop the architecture of SCADA and explain the importance of SCADA in critical infrastructure

Total Number of Students Present: - 34

#### Visit Permission Letter:

Ref.No. CEA/Elect/2023/ 2 - 18

Date: 30/10/2023

#### To,

The Dy. Engineer, E&M Sub Division, Water Treatment Plant, MIDC, Ahmednagar-414111

#### Sub:-Industrial visit of B.E. Electrical Students

Respected Sir,

Dr. Vithalrao Vikhe Patil College of Engineering was established in 1983 and is approved by AICTE New Delhi, Govt. of Maharashtra and affiliated to University of Pune. The college provides Engineering under graduation course in Civil, Mechanical, Electrical, Electronics &Telecommunication, Information Technology, Computer science and design with post graduation courses in Civil & Mechanical Engineering. As per the curriculum of Savitribai phule university pune. It is necessary to visit industry for up-gradation of practical knowledge of students.

It is now requested that permission to be granted for 40 students of **BE Electrical Engineering** accompanied with 2 staff members. The visit may be scheduled preferably on 03<sup>rd</sup> Nov. 2023. It is assured that there will be no disturbance in your work schedule due to visit of our students.

Your cooperation in this matter will be highly appreciated. Thank you.
