Dear HR Manager,

Vitthal Smruti, Kokan Exp Len, Kothrud, Rahul Nagar,
Kothrud, Pune, Maharashtra 411038

My name is Dr. D.A. Vidhate, and I am writing on behalf of Dr. Vithalrao Vikhe Patil College of Engineering Ahmednagar as the Head of the Information Technology Department. We are eager to provide our students with valuable insights into various industries and real-world experiences that complement their academic learning.

With this goal in mind, I am reaching out to explore the possibility of arranging a visit to your esteemed company for our students. We believe that first hand exposure to your operations, culture, and industry practices would greatly benefit our students and enhance their understanding of the field.

We understand the value of such visits in bridging the gap between academic knowledge and industry practices, and we are committed to ensuring a mutually beneficial experience for both our students and your team.

Please let us know if you would be open to hosting our students for a visit, and if so, your availability and any specific requirements or preferences you may have. We are flexible and willing to work with your schedule to make this visit a success preferably in the first week of March 2024 preferably on 5th March.

Thank you for considering our request. We look forward to the possibility of collaborating with you and providing our students with a valuable learning opportunity.

Best regards,
