Respected Mr.Sudarshan Diwate

Thank you for the courtesy extended to Mr. Shashank Kulkarni & myself by Mr.Sunil Kalhapure , Mr.Ravindra Navthar and Mr.Sudarshan Diwate. We appreciate the time spent with us & discussion regarding giving us the opportunity to share our through with your final year students and also explore the possibility of they joining our organization as Trainee Engineers.

Sharing with you the placement letter, which is attached & also posted below.

We are looking for engineers in stream of Mechanical & Electrical Engineering as discussed.

We will plan the activity on 29<sup>th</sup> May 2024, at 10:30 am. when you will have interested students from your college & your affiliated College of Loni.

**Sai Links (India) Pvt Ltd** is AS9100:2016 , ISO14001:2015 and ISO45001:2018 accredited company & **Nikash CNC Engineers Pvt Ltd** is an ISO 9001:2015 company, located in MIDC Ahmednagar -414111 Maharashtra. These two companies are sister concerns located at 3 locations in MIDC Ahmednagar. We have been in operation for more than 25 years.

We are into manufacturing and exporting components and Sub-assemblies for various engineering applications using CNC /VMC /VTL /Wirecut /Welding & Press machines. We also have a facility for Zn plating, Anodizing and Painting. We have a well-equipped metrology lab having

CMM / 2D measuring / Roughness tester and a variety of measuring instruments required for a manufacturing plant.

Our plants are spread over 70, 000 sq. ft. and have a built up area of 32,000 sq. ft. Presently our combined strength is 30 staff and 70 workmen on company roll.

90% of the company's production is exported- some direct and some through its customers such as Cummins, Bobst (global leader in packaging), MAN Diesel, Kinetic Green, XAL Austria, Tata Precision, Eaton, Parker, etc.

We have got an opportunity for developing a complete product for our Australian customer which will require quite a bit of engineering & development. With this growth mode we are targeting a growth of 50% this year, to reach a turnover of 20 cr.

Those engineers who are **willing take up challenges** to meet the tough delivery deadlines while maintaining stringent quality requirements should contemplate in applying for the position of "Trainee Engineer".

We have openings in the following departments-

- **Designing,**
- **Industrial Engineering,**
- **Production,**
- **Quality Assurance**
- **Planning.**

During the training period we expect the Trainees to have a **hands-on experience in every department**. One can expect a thorough knowledge of the working of every department. If the candidate is desirous of continuing to work with the organization, opportunity will be given based on the review of their attitude, aptitude and knowledge and availability of the position in the department on completion of training period.

#### **Selection Process**

Suitable candidates to contact their placement officer or send your CV to

Email: - [hr@nikashcnc.com](mailto:hr@nikashcnc.com)

Mob No: - +91 9860036037

#### **Stipend during Training period**

Stipend during training period will be in the range of Rs.15,500/- to Rs. 18,000/- per month plus incentive.

Thanks & Regards,

**SACHIN DONGARE**
