Department of Electrical Engg.

Report of Event (Seminar/Workshop/conference)

Date: - 20/01/2017 & 21/01/2017

Time: - 10.00 Am onwards

Class:-SE, TE & BE

Venue:-Seminar Hall

Nature of Event(SM/WS/Con):- Seminar.

Name of topic: - A State level Seminar on "RECENT ADVANCES IN POWER SYSTEMS"

Name and Address of Speaker Guest: - **Prof. Dr. G. M. Dhole**, Professor, Gokhale Education Society's R. H. Sapat College of Engineering, Management Studies & Research, Nashik

Prof. Ganesh N. Jadhav

Assistant Professor, K.K.W.I.E.E. & R., Nashik

Prof. Dr. Nitin J. Phadkule

Professor, Government College of Engineering, Amravati.

Prof. Ganesh N. Jadhav

Assistant Professor, K.K. W.I.E.E. & R., Nashik.

Prof. Dr. A. S. Khandekar

Professor, Zeal College of Engineering, Pune.

Prof. Dr. A. G. Thosar

Professor & HOD, Government College of Engineering, Aurangabad

Name of Staff and Delegates:- Prof. S.K.Sheikh and Prof. S.A.Markad.

Description of the Event:-

Objective:

- To explore the student about analytical ability for Power system subject with prerequisite of power system I
- To discuss in detail techniques and tools for power system analysis with a practical perspective
- Outcome:
- Students are able to understand the design and performance evaluation of HVDC and EHVAC power transmission lines
- Analyze power flow in power transmission networks and apply power flow results to solve simple planning problems.
- Student will able to understand simulation by using MATLAB.

Total Number of Students Present:- 162

PROFILE OF THE INSTITUTE

Dr. Vitthalrao Vikhe Patil College of Engineering, Ahmednagar (Maharashtra State) established in the year 1983 is one of the pioneer institute of Dr. Vitthalrao Vikhe Patil Foundation Ahmednagar. The institute offers Bachelor of Engineering program in Civil, Electrical, Mechanical, Electronics and Telecommunication, Information Technology and post graduate programs in Civil (Structure) and Mechanical Engineering (Design). The institute is one of the leading Engineering Colleges of the region imparting quality technical education to the aspirants from Maharashtra and other states. It is approved by AICTE, New Delhi, affiliated to Savitribai Phule Pune University, Pune. The institute is accredited by N.B.A., New Delhi & National Assessment & Accreditation Council (NAAC). The institute is situated in a picturesque land of 100 acres on Ahmednagar - Shirdi road. Pune is 120 KM, Shirdi of Saibaba 78 KM and Aurangabad 110 KM from the institute. It is well connected by roads, railways and airports.

ABOUT FOUNDATION

Dr. Vitthalrao Vikhe Patil Foundation (PDVVP Foundation), Ahmednagar was established in the year 1982 with sole aim to spread education in Engineering, Medical, Paramedical, Pharmaceutical and Management courses for the development of rural areas with a vision for social transformation, up-liftment of rural masses through education. Recently, foundation has started Agriculture College, Junior college and International CBSC pattern school.

HIGHLIGHTS OF THE DEPARTMENT

Electrical Engineering Department was established in year 1999. The department is having well qualified and experienced, devoted team of faculty members. A conducive learning environment exists in the department for both students and staffs. High quality technical education keeping an eye to the industrial requirements is provided to the students in the areas of Electrical Engineering in order to meet the challenges of industries. The department had given many University toppers who are working at top most positions in various sectors. Further, hundreds of our students are catering services to state electricity companies.

Department has separate 3 storied building with spacious laboratories and well equipped computer lab.

SCOPE OF SEMINAR

Electricity is prerequisite to economical growth and quality of life. Day by day the resources of electrical power are shorter as the demand of electricity is increasing. India is facing shortage of electric power. Due to fast rise in industrialization, information technology sector and development in retail sector, present electrical power requirement has increased significantly. There is large gap between supply side and load side demand. In this today's scenario, advance technology has to be developed to meet requirement.

The seminar focuses recent advances of power system and enhancing the skill of scientific researcher, faculty and engineers in engineering task applicable to power system.

OBJECTIVES OF THE SEMINAR

- To adopt and cope up with different research approaches and methodology.
- To know recent trends in power system.
- To explore opportunities and challenges in the area of power system and smart grid.
- To understand recent tools can be used for research activity.
- To understand challenges faced by consumer in present scenario.

SPEAKERS

1. **Dr. N.D. Ghawghawe,**
Head, Electrical Engineering, Government COE, Nagpur
2. **Dr. A.G. Thosar,**
Head, Electrical Engineering, Government COE, Aurangabad.
3. **Dr. N.J. Phadkule,**
Associate Professor, Electrical Engineering, Government COE, Amravati
4. **Dr. S.A. Devkar,**
Director, Zeal Education society's Zeal college of Engineering, Narhe, Pune
5. **Dr. M.G. Unde,**
Head, Electrical Engineering, Zeal College of Engineering, Narhe, Pune.

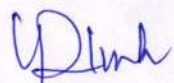

Who can Attend the Program

The workshop is intended for UG/PG students of Electrical Engineering and research scholars etc.

Registration Fee

1 200 /- without stay ii) 500/- with stay

Feedback Sheet

Thanks for your time - your comments are valued and reserved to:

Date: 21-01-2017 Organisation: A.T.C. FAE - Chas, A. Nagar.
Name: Deore Rahul Manohar Occupation: Education (BE) Electrical
Email: rmdeore111@gmail.com (please use black letters)

1. If you were to give the session a SCORE out of 10 for:

How ENJOYABLE the session was? 08 / 10

2. What is the most USEABLE SUCCESS STRATEGY you gained from this seminar? (liked best)

New Reseat technology in power system & Fault's devices use.

3. What could be IMPROVED? (liked least)

In between seminars your student go-and pro from seminar. and
This can be improved.

4. Would you like to RECEIVE: (please check all that apply)

- ☐ Your Company name's monthly newsletter called "Your newsletter name"
☐ Updates on Your Company name's upcoming events
☐ A complimentary coaching consultation If so, please add phone number here: _____

5. Would you RECOMMEND the seminar to others? (Y) / N (please circle)

6. If you were to write a short testimonial about this event, what would it say?
Eg. Your biggest learning, what you liked best or how you feel after the session

I would like Fault's Technology from
gvider Mrs. Thosar madam.

7. May we use your comments, name & details on our website/promotional literature?
(Y) / N (please circle)

If you have a website and would like it included with your testimonial, please write it here:
