Report of Event (Seminar/Workshop/conference)

Date: - 11 March to 15 March 2020

Time:- 10am to 05pm

Class: - FE(ALL)

Venue:- CCF Lab

Nature of Event(SM/WS/Con) :- Workshop

Name of topic:- Five days workshop on python programming.

Name and Address of Speaker Guest: - Prachi Pawar

Name of Staff and Delegates:- Prof. Dahane G.M, Prof. A.A. Pund, Prof. Raut R.G., Prof.mrs. Kale M.N.

Description of the Event:-

1. Objective-
 1. Identify and assess the need of python programming
 2. Collect and manage data to device solution using python
 3. Interpret data science analysis outcomes
 4. Transform finding of python programs into actionable business strategy.
2. Outcomes:-
 1. To solve hidden solution to business related challenges and meet organizational meets.
 2. To obtain process transform data analyze interpret data using python.
 3. Participants able to use python programming for solving data science problems.

Total Number of Students Present: - 142

Subject: Five Days Workshop on Python Programming for First Year Engineering Students

Respected Sir,

It is proposed to organize five days workshop on Python Programming for all students of First Year Engineering on **March 11-15, 2020.**

The main objective of this workshop is to provide hands on training to first year engineering students on the tools like python for so as to improve their logical skills. The basic fundamentals of python will be covered in this workshop that help students to enhance their result in university examination.

Workshop Objectives:

1. Identify and assess the needs of python programming.
2. Collect and manage data to devise solutions using python.
3. Interpret data science analysis outcomes
4. Transform findings from python programs into actionable business strategies

Workshop Outcome:

1. To solve hidden solutions to business related challenges and meet organizational needs.
2. To obtain, process, transform data, analyze interpret data using python.
3. Participants to be able to use python programming for solving data science problems.

It is requested to please sanction approximate budget of Rs. 35,000/- for the same

Thanking you,

Yours faithfully,

Ref.No. CEA/IT/2020/ 443

Date: 28/02/2020

NOTICE

Five Days workshop on Python Programming (PPS) is organized for all First Year Engineering Students in the Central Computing Lab from **11th to 15th March 2020** (including Sunday) during 10:00 am to 5:00 pm. Hands on practical session based on Unit III to Unit VI of PPS subject will be covered during the workshop.

It is **compulsory** to attend the workshop for **all** First Year Engineering students of all divisions (**Div. A to Div F**) for five days. No registration fees will be charged to students. It is beneficial for all FE students for their PPS subject.
