Sub.: Industrial visit of S.E. Electrical students

Sir,

Dr. Vithalrao Vikhe Patil College of Engineering was established in 1983 and is approved by AICTE New Delhi, Govt. of Maharashtra and affiliated to University of Pune. The college provides 4 years Engineering degree course in five disciplines i.e. Civil, Mechanical, Electrical, Electronics & Telecomm. and Information Technology & Civil & Mechanical Engg. post graduate, in which industrial visit is a part of syllabus as per University curriculum.

It is now requested that permission be granted for 50 students of S.E. **Electrical Engg.** accompanied with 03 staff members. The visit may be scheduled preferably in the second week of Sept. 2017. It is assured that there will be no disturbance in your work schedule due to visit of our students. You are requested to give the convenient date for this visit.

Your cooperation in this matter will be highly appreciated.

Respected Sir,

Our college intends to arrange one Industry visit as an integral part of the curriculum of degree course in Electrical Engineering. The following are some of objectives of industrial visit.

- The Industry visit will enable the student to appreciate the relevance of classroom instruction and reinforce learning with practical experience.
- Understand the job profile of technician and the environments in which they have to work in future.
- Comprehend the information about latest material, there specification and application
- Observe machines, equipment and processes of the industry.
- Familiarize him self with maintenance schedule techniques on site.
- Observe safety precaution and procedures.
- Appreciate practical problem in the industry on site.

I will be grateful if you kindly permit our student to visit your organization during **12th march 2018**, for industrial visit for 50 students of BE electrical engineering accompanied with 3 staff members.
