**Industrial visit of S.E Electrical students**

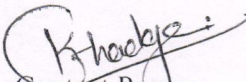

Sir,

Dr. Vithalrao Vikhe Patil College of Engineering was established in 1983 and is approved by AICTE New Delhi, Govt. of Maharashtra and affiliated to University of Pune. The college provides four years of Engineering degree courses in five disciplines i.e. Civil, Mechanical, Electronics & Telecommunication, Electrical & Information Technology and Civil & Mechanical Engineering post graduate studies, in which industrial visit is a part of syllabus as per University curriculum. Our Electrical Engineering students are interested to study about relays, switchgear and other components of your industries.

It is now requested that permission to be granted for **60 students of SE Electrical Engineering** accompanied with **2 staff members**. It is assured that there will be no disturbance in your work schedule due to visit of our students. As per curriculum the student must aware about the practical field & hence it is necessary to visit industry.

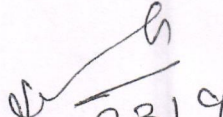

Your cooperation in this matter will be highly appreciated.

Thanking you,

Out of which stage-I units are out of service due to ageing .stage-II and stage-III are running as per the demand .main fuel of generating electricity is methane gas CH<sub>4</sub> which is supplied from ONGC refinery uran through gas pipelines. After that the gas is processed with supplement of filtered air and it is fed towards gas turbine. Turbine is coupled to alternator .as the turbine rotates the alternator also turn to rotate. Generation is then connected to grid for feeding power.Gas turbine power station ,uran is asia's only one power plant that generates electricity from gas.

**Students Opinion**

- + We really had a great time during visit hours. We had enjoyed the hours we spent on the visit .Also we got known about the plant formats of their workings etc.

--- **Mr. Krushnakant Shardul**

- + Fantastic tour, awesome memories & unforgettable footprints in my mind ever so. This trip brought us together and helped to understand teacher student relationship.

--- **Mr. Shubham Khajindar**

- + The most I like about the visit was the conclusion of the industrial visit told by co coordinator Sir to me.

--- **Mr. Harshal Magar**

- + It was one of the memorable visit which I had and it was really pleasure to have such a wonderful industrial visit. We had many opportunities to have practical knowledge about many things related to the technology and day to day life. We have visited many holy places and very wonderful feelings after visiting temple. I thank our teachers for arranging such trip.

--- **Miss. Deepika Joshi**

- + The most interesting thing about the visit was we get a chance to visit power plant from inner side. The Plant was good and we got practical knowledge there.
