Information and Communication Technology for Intelligent Systems (ICTIS 2017) - Volume 2

Editors: ([view affiliations](#)) Suresh Chandra Satapathy, Amit Joshi

Includes recent research on information and communications technology for intelligent systems

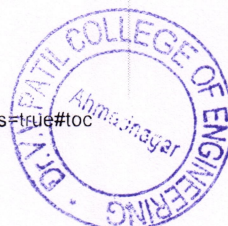

Features the proceedings of ICTIS 2017: Second International Conference on Information and Communication Technology for Intelligent Systems, held on March 25–26, 2017 in Ahmedabad, India

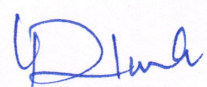

Written by experts in the field

Part of the book series: [Smart Innovation, Systems and Technologies](#) (SIST, volume 84)

Conference series link(s): [ICTIS: International Conference on Information and Communication Technology for Intelligent Systems](#)
