#### REPORT ON INDUSTRIAL VISIT TO SUYASH METAL PRESSINGS PVT LTD

##### Objective of Industrial Visit:

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this industrial visit was to let students know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim of industrial visit is to provide an exposure to students about practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices.

##### Details of Industrial Visit are as below:

**Name:** Suyash Metal Pressings Pvt Ltd

**Address:** -L - 8 / 9, MIDC, Ahmednagar (M.S.), INDIA

**Director:** - Mr.PrakashLokhande Mob. 9049810909

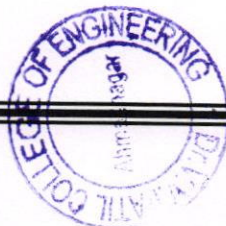

**Date of Visit:** 10 July 2016; 17 July 2016; 31 July 2016; 14 August 2016; 19 August 2016

**Faculty Name:** Prof. M.M.Bidwe

**Outcome of Visit :** Students acquired the knowledge of Press Machines and Forging Machines.

### Description of the Visit:

An Industrial Visit to Suyash Metals Pressings Pvt Ltd. was organized for Mechanical Dept. to Third Year students. Suyash Metal Pressings Pvt Ltd is a leading manufacturer and supplier of sheet metal pressed components and assemblies to the auto and electrical industries. Renowned manufacturers of all types of Dies, Press Tools, Jigs, Fixtures, press components and fabricated assemblies. In its journey in pursuit of excellence Suyash Engineering Work developed into a full-fledged manufacturing unit, evolving itself from a press shop to a modern manufacturing facility having in-house tool room and CNC for speedy development

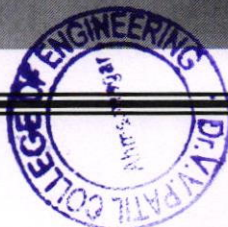

Students Experiences Visits to development site, are useful for students to. Design, develop, manufacture and maintain Dies, Moulds, Tools, Jigs, Fixtures and Patterns. Through industrial visit we got awareness about new technologies. Visiting different development modules that helped us to build a good relationship with the industry.

- We know building relationship with companies will always help to gain a good job in future. After visiting an industry gained a combined knowledge about both theoretical and practical. In this visit students got the benefited in terms of the technical details provided by the company on an important part of Requirement policy of the company.
- The company people also appreciate us and visit seemed to be very informative and gives us good learning experience.
- It was the unique example of "EDUTAINMENT" i.e. Education & Environment.

Students were well mannered and disciplined throughout the visit and no injury or anything bad thing happened during industrial visit.

**Subject:- Request to Permit Mechanical Engg Students visit to Suyash Metal Pressing Pvt Ltd**

Dear Sir,

Dr. Vithalrao Vikhe Patil College of Engineering, Ahmednagar was established in 1983 and is approved by AICTE New Delhi, Govt. of Maharashtra and Affiliated to Savitribai Phule Pune University. The college provides 4 year Engineering degree course in five disciplines i.e. Civil, Mechanical, Electronics & Telecommunication, & Information Technology in which Industrial visit is part of syllabus as per University curriculum.

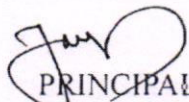

This is to request you to grant permission to visit Third year Mech Engg students. Your kind permission will provide the students an opportunity to study better understanding of its operations.

We would like to have the visit in the month of August to October, if you approve the same. It is assured that there will be no disturbance in your work schedule due to visit of our students. As per our discussion herewith detail schedule of visit is attached.

Your early confirmation in this connection is solicited.

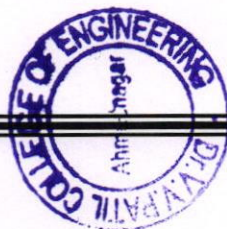

Thanking you,

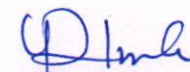

Yours faithfully,
