Description of the Visit:

An Industrial Visit to Pumping Station , MIDC Ahmednagar was organized for T.E. Mechanical engineering students. It also provides drinking water supply to perennially water deficient Ahmednagar city. The water is transported via pipeline from the dam to the Ahmednagar city.

The students of T.E. Mechanical and staff members have enjoyed the technical session at the Pumping Station. The company person appreciated our students after the technical session. Students were well mannered and disciplined throughout the visit and no injury or anything unpleasant thing happened during industrial visit.
