

### 4.3.1 Institution frequently updates its IT facilities including Wi-Fi

Institution has adequate IT infrastructure which is updated and upgraded continuously as per the curriculum requirements and changing technology. Wi-Fi zones are provided at various locations such as reading halls, hostels, and department corridors which can be updated as per requirement. A case study of mechanical department is elaborated related to the above topic i.e. frequently updates its IT facilities including Wi-Fi.

### 1. Sample of - Dead Stock Register showing Softwares

The image shows a 'Dead Stock Register' for the Civil Engineering Department Computer Lab. It is a detailed ledger with multiple columns for tracking software assets. The register is divided into two main sections, each with a red border. The top section lists software like 'AutoCAD' and 'SolidWorks', while the bottom section lists 'MS Office' and 'Adobe Photoshop'. Each entry includes details such as the software name, version, quantity, and a date column. The register is signed and dated at the bottom right.
