Notice

Date: 06/02/2017

All the students are hereby informed that Mechanical Engineering Department is arranging National Level Conference on "Recent Advances in Mechanical Engineering" in presence of honorable guest Dr. K. V. Jayakumar, Ph.D. (IIT Kanpur), Dean, Planning and Development, NIT Warangal on 17/02/2017 to 18/02/2017.

All the students should present for Conference.

This is for strict compliance.

Subject: Request for National level conference on "Recent Advances in Mechanical Engineering"
dated 17th Feb 2017 as chief guest

Respected Sir,

It gives us immense pleasure to state that the Department of Mechanical Engineering of our institute is organizing National level conference on "Recent Advances in Mechanical Engineering" dated 17th Feb 2017 and 18th Feb 2017.

As per discussion with Dr. K. B. Kale, Head, Department of Mechanical Engineering of our institute, we would like to invite you as chief guest.

Kindly accept our invitation

Thanking you.

INSPIRATION

Dr. Vithalrao Eknathrao Vikhe Patil - Our Visionary philanthropist pioneered the cooperative movement in India by establishing the first cooperative sugar factory in Asia at Pravara Nagar, a remote village in Ahmednagar district of Maharashtra. He made untiring efforts for the upliftment of rural masses and initiated various other social and educational movements. The deeds and accomplishments of Dr. Vithalrao Vikhe Patil made him immortal and he is living and will live forever till the civilization exists in the hearts of the generations to come.

ABOUT DVVP FOUNDATION

To realize the visionary thoughts of Dr. Vithalrao Vikhe Patil, his worthy son, Late Dr. Balasaheb Vikhe Patil (Padmabhushan Awardee), established Dr. Vithalrao Vikhe Patil Foundation in the year 1982 with a sole aim to provide education to rural masses. Now under the dynamic leadership of Hon'ble Radhakrishna Vikhe Patil & Hon'ble Dr. Sujay Vikhe Patil, the foundation is dedicated to provide quality education in the field of medical, Engineering, Management, Pharmacy, Nursing, Physiotherapy, Agriculture, ITI, basic & higher Schooling.

ABOUT COLLEGE

The Institute was established in the year 1983 in the proximity of Ahmednagar Industrial area offering undergraduate & postgraduate courses. The institute is affiliated to Savitribai Phule Pune University, Pune and recognized by the government of Maharashtra & approved by AICTE, New Delhi. Over the years it has grown into a premier institution with excellent teaching-learning environment to achieve excellence in imparting quality technical education thereby generating technocrats compatible with needs of current industries & society. Institute offers undergraduate courses in Civil, Electrical, Electronics & Telecommunication, Information Technology, Instrumentation & Mechanical Engineering. Institute also provides the education in post graduate courses in Mechanical Engineering (Design Engg.) & Civil Engineering (Structural Engg.). The institution is located on beautiful picturesque & pollution free land at a distance of 12 km. from Ahmednagar city on Ahmednagar-Manmad state highway (SH-10).

ABOUT THE DEPARTMENT

The Mechanical Engineering Department is one of the oldest departments of college. Established in the year 1986, DVVP's Mechanical Engineering Department has been providing excellent learning and research opportunities for undergraduate and post graduate students, in addition to providing consultancy services to the multiple industries.

Since its inception, the department has gained a reputation in the Savitribai Phule Pune University, Pune, (Formerly University of Pune) as renowned department due to high academic standards established by qualified, experienced and devoted faculty. Today, the Department of Mechanical Engineering attracts and features a rich diversity and quantity of talented individuals, with nearly 700 undergraduates, 50 postgraduates students and around 44 faculty members. All the laboratories in the department are well equipped and are at par with latest technology. The department had been accredited by NBA, New Delhi & NAAC, Bangalore.

CONFERENCE SCOPE

The Advances in Mechanical Engineering are the order of the day with the rapid industrialization and urbanization seen in developed and developing nations. Rapid population growth and the global pursuit of sustainability are creating new demands for engineers who can design products, services and infrastructure to improve the quality of life for the billions. Innovative design and new practices are challenging tasks to the researchers and working engineers to meet the ever growing demands of the society.

The conference is the premiere forum for the presentation of new advances and research results in the fields of Mechanical Engineering. The Conference will provide a leading forum for sharing the original research contributions and practical development experiences among students, researchers, academicians, industry professionals and application developers in Mechanical Engineering. This conference will also provide opportunities for the delegates to exchange new ideas and application through face-to-face discussions, to establish business or research relations and to find global partners for future collaborations. We hope that the outcome of RAME-2017 will yield significant contribution to the knowledge in the emerging areas of Mechanical Engineering. All the selected papers will be published in International Engineering Research Journal (IERJ).

AREA OF INTEREST

- Design Engineering
- Thermal Engineering
- Manufacturing System and Automation
- Tribology
- Interdisciplinary

BIKE WORKSHOP

Following points will be covered in this workshop

1. Introduction to 2- Wheelers.
2. Nomenclature of Engine.
3. Actual working of various components.
4. Assembly & Disassembly of Engines.
5. Maintenance of 2- Wheelers.
6. Breakdown Prevention.

18
Feb
2017

Bike Workshop is organized by "DVVPCOE" in collaboration with "Shivam TVS India". Objective behind this workshop is to make the students aware of various technicalities related with 2-Wheelers and making them friendly with various aspects of it. This workshop breaches the gap and creates interest surrounding 2-Wheelers.
