Venue:- Electrical Dept

Nature of Event(SM/WS/Con):-workshop

Name of topic:- Prolific Systems & Technologies Pvt. Ltd., Pune

Name and Address of Speaker Guest- Mr. Ramesh Wakchure ,Prolific Systems & Technologies Pvt. Ltd., Pune

Name of Staff and Delegates:- BE students.

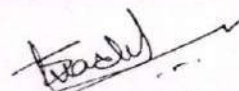

Description of the Event:- Four days workshop on "PLC & SCADA Application" was organised by the department for final year electrical engineering students from. 3/10/2017 to 6 /10/2017 This workshop will be conducted by Mr. Ramesh Wakchure along with two experts of Prolific Systems & Technologies Pvt. Ltd., Pune. Topics covered in this workshop will be PLC fundamentals, PLC ladder diagram, fundamentals of SCADA, interfacing of PLC & SCADA. These concepts will be certainly useful for final year students.

Objective:- We are living in a new century driven by knowledge and technology. We have to exploit fully the tremendous opportunities available around us. It is clearly established fact that there is very little technology that grows in isolation. We need innovators, researchers and users all together. Most contemporary developments require inputs from all these disciplines and R & D is essentially a team

Outcome:- All the students have learned about PLC and SCADA. They were very excited about participation in this workshop and requested for more workshops in similar way so that they can simultaneously gain the practical knowledge. In workshop student know PLC and SCADA application in agriculture

Total 54 Students from final year are attended the workshop and get knowledge about PLC AND SCADA.
