Subject: 4 days hands on training in "Design & Testing 3 Phase Transformers" by Kenin Transformers,  
Latur for T.E. & B.E. students of Electrical Engineering .

Respected Sir,

With reference to the above subject, I would like to bring your kind attention that students from the Electrical Engineering department - TE & B.E. have shown interest to participate in the four days training on "Design & Testing 3 Phase Transformers" going to conducted by M/s. Kenin Transformers, Latur, in our campus from 21<sup>st</sup> of August 2017 to 24<sup>th</sup> August 2017. The Proprietor of M/s. Kenin Transformers, Mr. Nachiket D. Kulkarni is training the students, who has more than sixteen years of experience in the field of transformer manufacturing and repairs. He is associated with M.S.E.D.C.L, M.J.P.N.C.C.L. and many private sector companies.

The total duration of the workshop is 4 days, which includes Core assembly, Secondary winding, Primary winding and coil assembly as per schedule attached herewith for your kind information.

The total fees for the entire program after negotiation with them, come down to Rs. 1000/- per student. The entire fees will be borne by the respective students undergoing training and institution has no any financial obligation except hospitality for four days and a lab with 3 phase connection for practical session.

A faculty from the department is assigned to coordinate the activities with the trainer and will facilitate with students for the collection of fees of the training program.

This is for your kind information and approval please.

With regards,

G.M. Bhat  
Training & Placement Officer.

**NOTICE**

**Date: 16/08/2017**

All the S.E/TE/BE students are hereby informed that Electrical Engineering Department is arranging workshop on "Hands on training on design and testing of three phase distribution transformer" by Er. N.D Kulkarni, N.Kenin Transformer on 21/08/2017 to 24/08/2017 at 11:00 am.

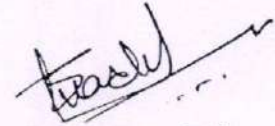

All the students should present for expert lecture.

This is for strict compliance.

### Report of Event (Seminar/Workshop/conference)

**Date:-** 21/08/2017-24/08/ 2017 **Time:-**10am -5.00 pm

**Class :SE/TE/BE** **Venue:-** Old Electrical Dept M/c lab-2

**Nature of Event(SM/WS/Con):-workshop**

**Name of topic:-** Hands on Training on design and testing of three phase distribution Transformer.

**Name and Address of Speaker Guest:-** N.KENNIN TRANSFORMER.

**Name of Staff and Delegates:-** Er.N.D Kulkarni

**Description of the Event:-** Workshop Repairs, Services & Manufactures of Distribution & Power Transformers.

**Objective:-** Understanding all Design and Construction requirement of Transformer. Complete Hands on experience of basic laws require in Transformer Design. Roll of magnetic Circuit and its material selection criteria. Design Basis for selection of core material/Copper winding/Insulating Material.

To provide a comprehensive understanding of principles, selection, testing and commissioning, protection, maintenance and troubleshooting of distribution, and power transformers.

**Outcome:-** After this course, you will be able to:

- **Apply** transformer operating principles
- **Gain** knowledge of practical solutions for specifying, operating and maintaining power transformers in a utility or plant environment
- **Avoid** costly errors from specifying the wrong transformer for your application
- **Examine** the possibilities of maximizing efficiency and economical performance of your transformer.
- **Determine** transformer specifications to suit various applications
- **Analyze** the key parameters of power transformers
- **Increase** your knowledge of both the underlying principles and practical applications of power transformers

Total Number of Students Present:- 120

Subject: Request for conduction of workshop on topic "Hands on Training on design and testing of three phase Transformer." dated 21/08/2017-24/08/ 2017

Dear Sir,

It gives us immense pleasure to state that the Department of Electrical Engineering of our institute organizes Hands on Training on design and testing of three phase distribution Transformer for students.

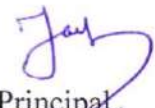

We would like to invite you to conduct workshop on topic "Hands on Training on design and testing of three phase distribution Transformer." dated 21/08/2017-24/08/ 2017 from 10 am – 5pm

Kindly accept our invitation for workshop and give your consent.

Thanking you.

Yours sincerely,
