To,

Mr Sudharshan Diwate

It was a pleasure talking with you after a long time.

As discussed, I have attached the JD for the requirement which is current. You may please circulate it in your respective alumni channels and your partner campus alumni channels and get back to me with the list of interested students, at the earliest.

Also, you have my number 8237113602 in case of any queries/concerns with respect to Byju's hiring. Given the lack of opportunities that students have to face, I look forward to working closely together to ensure that such students who want opportunities are connected to us thereby giving them a chance to have a fruitful career ahead.

PS : Attaching the format (Excel) in which the data of candidates is to be shared.**Warm Regards,****Shivani Paranjape**

Hello,

VSH Solutions Pvt Ltd is planning to hire students for a full-time job and internship including Training programs and willing to continue a payroll.

We would like to get a database of your students of (Comp Science).

Can you forward the student's database excel sheet to sayali.deshmukh@vshsolutions.com

A Training Period is up to 6 months During this tenure you will be paid a monthly stipend i.e 10000 per month from the joining date and then will be on our payroll after completion of the Training with a permanent Trainee Software Engineer position with Annual CTC 2.4 to 4.2 LPA for a year next year according to your six months of experience and will get proper appraisal hike as per their performance. A three years bond is mandatory for each employee.

We believe that anyone anywhere can make a positive impact by developing products to make the world a better place. If you are a college fresher who is passionate about technology and considering pursuing computer science and engineering, we want you to be part of VSH Solutions.

Our development cycle is extremely fast, and we've built tools to keep it that way. It's common to write code and have it running live on the site just a few days later – we'll show you how! If you join the VSH Solutions Internship program, you will make an impact on millions of people around the world immediately.

Our goal at VSH Solutions is to inspire the next generation of computer engineers.

Things you will learn in 6 months

- Tools to improve your development skills
- Agile Development
- Cutting edge technologies
- How to implement your own ideas?

Perks of internship at VSH Solutions

- A stipend of up to 10,000 per month (6 Months)
- Learn to work with cutting edge technologies (PHP, Node.JS, iOS, Android, Javascript, Postgresql, MongoDB, MySQL, React.js)

Requirements

- Current fresher in college with a demonstrated interest in science and technology
- Available to work in Pune
- Must have authorization from college to work
- Mastery of at least one programming language (ie: C/C++, Javascript, PHP, Ruby, Python, Go, Node.js, etc)
- Passion: You have built (and are dying to show us) something you're proud of, outside of work/school.
- Strong problem-solving ability
- Attention to detail
- Your code as fluently as you speak

Process :

Shortlisted students will receive a programming challenge via email. They have to complete it in their choice of language and email it back. Selected students will be invited for 30 minutes of technical and personal interviews. Selected students will join VSH Solutions Pvt Ltd immediately.
