Subject: State Level Technical Workshop

Dear Sir/Madam,

We have great pleasure to inform you that the Department of Information Technology of our college is organizing a State Level Technical Workshop on "Machine Learning and Big Data" which covers the recent topics in the area of machine learning, artificial neural network, introduction to big data, hodoop and python programming for engineering, diploma college staff members and students in Maharashtra on 20-21 February 2018.

The workshop will be conducted by experts from IITs and IT Industries. Limited seats are available for participants. Hence we are conducting a test for students and first "100" students will be allowed to attend the workshop without paying any charges. It is requested to allow us to conduct the test of Computer Engineering / Information Technology students for 30 minutes.

The brochures & posters are sent herewith for display on your institute/organizations notice boards. You are requested to give wide publicity amongst the students of your institute/college and encourage them for participation. It is also requested to kindly permit us for spot registration of interested participants at your institute.

Thanking you,
