Subject: 4 days hands on training in "Design & Testing 3 Phase Transformers" by Kenin Transformers, Latur for T.E. & B.E. students of Electrical Engineering.

Respected Sir,

With reference to the above subject, I would like to bring your kind attention that students from the Electrical Engineering department - TE & B.E. have shown interest to participate in the four days training on "Design & Testing 3 Phase Transformers" going to conducted by M/s. Kenin Transformers, Latur, in our campus from 21st of August 2017 to 24th August 2017. The Proprietor of M/s. Kenin Transformers, Mr. Nachiket D. Kulkarni is training the students, who has more than sixteen years of experience in the field of transformer manufacturing and repairs. He is associated with M.S.E.D.C.L, M.J.P.N.C.C.L. and many private sector companies.

The total duration of the workshop is 4 days, which includes Core assembly, Secondary winding, Primary winding and coil assembly as per schedule attached herewith for your kind information.

The total fees for the entire program after negotiation with them, come down to Rs. 1000/- per student. The entire fees will be borne by the respective students undergoing training and institution has no any financial obligation except hospitality for four days and a lab with 3 phase connection for practical session.

A faculty from the department is assigned to coordinate the activities with the trainer and will facilitate with students for the collection of fees of the training program.

This is for your kind information and approval please.

With regards,

G.M. Bhat
Training & Placement Officer.
