## ACKNOWLEDGEMENTS

---

*“Perseverance, inspiration, and motivation have always played a key role in the success of any venture “*

It is our privilege to express deep gratitude to everyone who has rendered valuable help in completing the three days' workshop. We wish to thank **Dr. S. N. Londhe Chairman**, BOS Civil Engineering for his full enthusiastic support and being the source of our motivation. We greatly indebted to him for sharing his precious time, constant inspiration, constant encouragement, valuable suggestions, and guidance. We would also like to acknowledge the encouragement we have received from our principal **Dr. UP. Naik**. We would like to express thanks to Savitribai Phule Pune University Pune for permitting us to conduct workshop. Our sincere gratitude also goes to **Dr. S. B. Thakare** BOS Civil Engineering Pune. We would also like to thank **Dr. U. R. Kawade**, Head of the Civil engineering department for her kind support. We would also like to thank **Prof. Sunil Kalhapure** for the warm support. My heartfelt gratitude goes to **Dr. P. D. Nemade**, BOS Civil Engineering Pune for valuable suggestions and moral support. Last but not the least, we would like to thank all our friends for their worthwhile support without whom this work would not have been possible. This work would not have been possible without the support and encouragement of the officers, my colleagues, and friends.

### **MESSAGE.....**

It gives me great pleasure to present the report of the 3 days' workshop conducted by PDVVP C O E Ahmednagar on "Online teaching" for faculty of Civil Engineering in institutes affiliated to SPPU. Due to the pandemic situation since the last few months there felt a need to discuss with the faculty members about conducting the syllabus by using various e-learning techniques as actual classroom lectures may not be possible in major part of the coming academic year. Senior faculty from every course delivered sessions of 2-3 hours and discussed how each unit can be taught without actual classroom teaching. The program was a grand success as evident from the feedback received from the attendees. I take this opportunity to thank Dr. Manohar Chaskar Dean Science and Technology for his valuable guidance in organizing this workshop. I also thank the management of PDVVP COE Ahmednagar for conducting the workshop. Special thanks to Principal Dr. U.P. Naik, Organizer Dr. Manoj Wagh and his entire team for the efforts they have taken to make this event successful. I also thank all resource persons for sharing their knowledge with all. At the end I would like to thank the participants who attended the workshop in large number.

**Prof. (Dr.) Shreenivas Londhe**  
**Chairman BOS (Civil)**  
**SPPU Pune**

### **MESSAGE.....**

I am highly delighted to see that even in the context of this critical phase our teachers have taken the responsibility to make the impossible possible. I must congratulate the speakers of the sessions for their enduring efforts and making things happen. I feel proud to say that even today the teachers have shown their zeal and enthusiasm towards their passion of teaching. Being in this era of lockdown we are forced to make a bold move and go online for our students so that they can gain knowledge and reap the benefits on the receiving end. Yes, we are on the verge of making something great and good for the society. We are making it happening in time to come.

I must congratulate the host organisers of this event, Dr. Vithalrao Vikhe Patil College of Engineering who have made this online event successful. I must say that the sessions of the event were well organised and planned. I can also sense that the participant teachers must have benefited from this event.

I am very much thankful to DVVP management for inviting me and letting me share and express my views. I am also thankful to SPPU, and Board of Studies, Civil Engg for providing such an innovative platform for discussion and meeting.

Last but not the least I am also thankful to Dr. Londhe, BOS chairman.

Thank you very much.

**Prof. (Dr.) S. B. Thakare**  
**BOS Civil Engineering**

### **MESSAGE ...**

Firstly, I thank all the keynote speakers for showing a way of new generation in this critical phase of situation where everything has come to standstill. We as teachers have taken the initiative that the teaching learning process should not get hampered. Hence as an alternative and innovative side of technology use is made for this continuous process.

Thus, online study will help and boost the morale of teacher and student so as to complete the study and make the same more interesting and fun.

The SPPU has done a fantastic job and this magical initiative will help others a lot.

I am thankful to BOS chairman Dr. S.N. Londhe for his efforts taken to make history possible.

I am also thankful to DVVP college of Engineering and management for inviting me to share few words.

I wish all of you all the very best for the workshop.

**Prof. (Dr.) P. D. Nemade**  
**BOS Civil Engineering**

### **MESSAGE ...**

At the onset of SPPU's and BOS Civil Engineering initiative towards finding an appropriate way of making the teaching learning system reachable to their students in the context of pandemic situation is already a landmark and remarkable achievement. To this we from Dr. Vithalrao Vikhe Patil College of Engineering welcome the webinar and thank the BOS and SPPU in supporting us for making the event happen.

As a principal I take privilege and honour in inviting you all for this three days' workshop on "Online Teaching Syllabus for T.E. Civil (2015 Pattern). I hope that all the participant will definitely be benefitted form this workshop and will lend and share their efficient knowledge. I also acknowledge the keynote subject expertise for sparing time and sharing their experience. I hope this workshop will set milestones for future communications.

Wishing all the participants a very best of luck and congratulate the department of Civil Engineering for making this event a grand success.

Thank you all...

## REPORT ON 3 DAYS WORKSHOP ON “ONLINE TEACHING SYLLABUS FOR T.E. CIVIL (2015 PATTERN)”

As per the guidelines of Savitribai Phule Pune University Pune, and Dr. S. N. Londhe Chairman, BOS Civil Engineering. A three days' workshop on Online Teaching Syllabus T. E. Civil (2015 Pattern), has been organized by Civil Engineering Department of Dr. Vithalrao Vikhe Patil College of Engineering, Ahmednagar. From 1<sup>st</sup> July 2020 to 3<sup>rd</sup> July 2020. As per the current scenario and pandemic situation. Its urgent need to change our self as well as our teaching learning process. We have to accept the fact and according to it we have to modify. This was the main aim of the workshop.

This Workshop is planned with the following objectives:

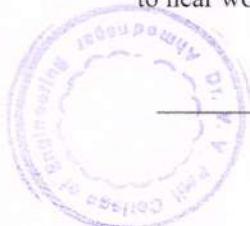

1. To make the faculty members aware of the online teaching syllabus due to pandemic situations.
2. To orient the faculty members for the modern teaching-learning process.

Thus, making deliberate online teaching learning process will definitely make an impact and help the students in their academics. For this expertise of subjects were invited to guide on this platform. Following were the expertise:

### Subject expert speaker Details

Sr. no	Name of Speaker	Qualification	Subject
1	Dr. S. N. Londhe	Ph. D. Civil	Fluid Mechanics -II
2	Dr. S. D. Khandekar	Ph. D. Civil	
3	Dr. Deepa Joshi	Ph. D. Civil	Structural Analysis II
4	Dr. P. D. Dhake	Ph. D. Civil	
5	Dr. A. S. Sayyed	Ph. D. Civil	
6	Dr. V. M. Natraj	Ph. D. Civil	Hydrology and Water resource Engineering
7	Dr. C. L. Jejurkar	Ph. D. Civil	
8	Dr. Pradnya Dixit	Ph. D. Civil	
9	Dr. Bhirud Y. L	Ph. D. Civil	Structural Design I
10	Dr. Pratibha M Alandkar	Ph. D. Civil	
11	Prof. Priyanka Dange	M. E. Structure	Infrastructural Engineering and Construction Management
12	Prof. Ganesh Jarad	M. E. Structure	
13	Prof. S. P. Gaikwad	M. E. Structure	

The workshop had been inaugurated by BOS chairman Dr. S. N. Londhe. We were privilege to hear words of encouragement from chairman BOS.

After the inauguration, session 1 was rolled in immediately with subject of **fluid mechanics-II** initiated by Dr. S. N. Londhe and Dr. S. N. Khandekar who have potently made us aware as how to make useful video with applicative examples like Karman Vortex Trial that was beautifully explained and made understood. Dr. S. N. Londhe had also shown videos and method of flipped classroom effectively.

For second session of day 1 we had subject of **structural analysis- II** delivered by Dr. Deepa Joshi, Dr. P. D. Dhake and Dr. A. S. Sayyed. As a point to note everybody had concern about this analysis subject so as how to make online study of this subject interesting and this was quite wonderfully explained and shown by our keynote speakers.

On day 2 first session was for subject of **hydrology and water resource engineering** and keynote speakers were Dr. V. M. Natraj, Dr. C.L. Jejurkar, Dr. Mrs Pradnya Dixit who had made it possible for online teaching specially by use of Kahoot platform being a medium of questionnaire and quizzes. Our keynote speaker has well explained through the numerical of unit hydrograph, duty-delta etc. as how to conduct it online and students will take interest through it.

For second session of day 2 for the subject of **structural design- I** we had Dr. Pratibha Alandkar and Dr. Y. L. Bhirud who have shown through animated video how to make joints, connection study easy. Also, physical characteristic of steel was made understandable as well as enjoyable. Hopefully such animated video for most of the subject will highly be beneficial and useful to students.

To end with day three, we had Prof. Priyanka Dange, Prof. Ganesh Jarad and Prof. Siddharth Gaikwad for the subject of **Infrastructural Engineering and Construction Techniques** have shown through their PPT's how this course can be made interesting. Prof Siddharth Gaikwad had interestingly suggested the Google presentation platform and few other trials. I would specially mention that all, the keynote speakers have emphasized on focusing to outcome base study and teaching learning process. They have shown Course objective, program outcomes, mapping importance of study of these subjects.

Hopefully this workshop has benefitted to all the participants. We would like to thank BOS Civil Engineering for allowing us to conduct this event and also thankful to Dr. Vithalrao Vikhe Patil College of Engineering Ahmednagar for providing an opportunity to express my view on concluding remarks of this event.

Thank you all

### Views and opinion of few participants

**1. Dr. Prakash B. Nangare, (Asso. Prof.), AISSMS COE, PUNE:**

It was well planned and got to know the various modes of online teaching. Expressed thanks and gratitude to Dr. Londhe and team of DVVPCOE, A'nagar

**2. Mrs. Priya Bidkar (Asst. Prof), RMD school of Engg, Pune:**

It had helped her as well as all others to make students aware of learning process. This has made to think beyond the limits of traditional blackboard teaching. Thankful to all the speakers for guiding through the sessions. Also, thankful to BOS for arranging such an initiative.

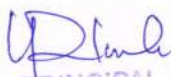

**3. Mr. Akshay Kamble (Asst. Prof.), SCSMCOE, A'nagar :**

This program has taught us the importance of online lectures as well as how they are useful for students for their academics in this pandemic situation.

**4. Mrs. Sujata Bhise :**

Thankful to experts of SD-I for showing methods and ideas regarding this subject as how to be delivered online and make students understand the design concepts. Hopefully this event will help a lot of them to make way for new version of teaching learning process.
