

ABOUT THE INSTITUTE

Over the last thirty-seven years, Dr. Vithalrao Vikhe Patil College of Engineering Ahmednagar has been at the forefront imparting high-quality technical education offering UG & PG courses. One of the top engineering colleges in Maharashtra state. Over the years, it has grown into a premier institution with an excellent teaching-learning environment to achieve excellence in imparting quality technical education, thereby generating technocrats compatible with the needs of current industries & society. The Engineering college has Excellent infrastructure, teaching-learning process, research & development by students & faculty members. College Accredited by the National Assessment & Accreditation Council (NAAC), Bangalore. The institution is affiliated to Savitribai Phule Pune University, recognized by the Government of Maharashtra & approved by AICTE (All India Council for Technical Education), New Delhi. The institution is situated on beautiful picturesque & pollution free land of 25 acres at a distance of 12 km from Ahmednagar City on Nagar-Shirdi state highway.

ABOUT THE DEPARTMENT

The Civil Engineering department of Dr. Vithalrao Vikhe Patil College of Engineering, Ahmednagar, was established in the year 1983. The department offers an undergraduate program in Civil Engineering, with an intake of 60. As a symbol of academic excellence, the department received two years of prestigious accreditation by NBA- Delhi in the past. Department has contributed not only to academic excellence but also in research and development. The varied research initiatives and special programs help the student of the department of civil engineering to excel in competitive professional life. The department provides testing/consultancy services to the government & private sector for the Quality check, Design, and Audit. The department also runs the Post Graduate program in Structural Engineering.

ORGANISING COMMITTEE

Faculty Members, Department of Civil Engineering, DVVPCOE,
Ahmednagar.

SCOPE:

Dr. Vithalrao Vikhe Patil College of Engineering, Ahmednagar, is hosting three days' Workshop, on **"Online Teaching Syllabus for T. E. Civil - 2015 Pattern"** on behalf of the Board of Studies (B.O.S) - Civil Engineering, SPPU. This activity is supported by B.O.S (Civil Engineering, SPPU, Pune) under the able leadership of **Dr. S. N. Londhe- Chairman B.O.S, Civil Engineering.**

OBJECTIVES

This Workshop is planned with the following objectives:

1. To make the faculty members aware of the online teaching syllabus due to pandemic situations.
2. To orient the faculty members for the modern teaching-learning process

HOW TO REGISTER

Registration for the program shall be completed through the online registration process. The link for online registration for the course will be sent to the Head of the department of all colleges under SPPU having Civil branch.

<p>PROFILE OF THE INSTITUTE Dr. Vitthalrao Vikhe Patil College of Engineering, Ahmednagar established in the year 1983 in the proximity of Ahmednagar offering undergraduate & postgraduate courses. Over the years it has grown into a premier institution with excellent teaching-learning environment to achieve excellence in imparting quality technical education thereby generating technocrats compatible with needs of current industries & society. The institution is affiliated to Savitribai Phule Pune University, Pune, approved by AICTE (All India Council for Technical Education), New Delhi & Accredited by National Assessment & Accreditation Council (NAAC), Bangalore. The institution is located on beautiful picturesque & pollution free land of 25 acres at a distance of 12 km from Ahmednagar City on Nagar-Shirdi state highway.</p> <p>HIGHLIGHTS OF DEPARTMENT Electrical Engineering Department was established in year 1999 with intake of 60 students. The department is having well qualified and experienced devoted team of teaching staff members. A conducive learning environment exists in the department for both students and staffs. High quality technical education keeping eye on the industrial applications is provided to the students in the areas of Electrical Engineering in order to meet challenges of industries.</p> <p>The laboratories are spacious as per the AICTE norms, well equipped, separate computer lab. and internet facility. The department library has identified books and software back-up. The various curricular and co-curricular activities are being conducted through Electrical Engineering Students Association (EESA) & IEIT students chapter.</p>	<p>FOCUS OF THE WORKSHOP The National Electric Mobility Mission Plan 2020 was released by the Ministry of Heavy Industry and Public Enterprises, Government of India with a view to enhance national energy security, mitigate adverse environmental impacts (including CO₂) from road transport vehicles and boost domestic manufacturing capabilities for electric vehicles (Gst, 2012).</p> <p>Urban transport planning in India has to address numerous challenges: deteriorating air quality, rising greenhouse gas emissions, and adverse rising energy security risks, to mitigate the adverse impacts of transport on these sustainability indicators. Electric vehicles (EVs) offer alternate mobility options that can help to address these adverse impacts.</p> <p>EVs so far have remained on the fringe. However, technology and battery advancements are making EVs more attractive to the consumer due to increasing convenience and affordability.</p> <p>To meet this challenges Department of Electrical Engineering of Dr. Vitthalrao Vikhe Patil College of Engineering, Ahmednagar has planned Two days state level workshop on "Hybrid Electric Vehicles : Opportunities & challenges in India"</p> <p>Who Should Attend</p> <ul style="list-style-type: none"> Teaching Faculties of Engineering UG & PG Students / Research Scholars Industrial Professionals <p>REGISTRATION Registration fees: Rs 300/- Please fill attached registration form and send along with demand draft drawn in favor of "The Principal, D. About Shivaji University, Kolhapur

Shivaji University, established in 1962, is named after the Great Maratha Warrior and founder of the Maratha Empire Chhatrapati Shivaji. One of the major objectives behind foundation of this University was to cater to the regional needs of South Maharashtra. The jurisdiction of the University is spread over three districts viz. Kolhapur, Sangli and Satara with strength of about 3,00,000 students studying in 280 affiliated colleges and recognized institutes. The recent phase of the University can be termed as "a pursuit of academic excellence". Since last 4-5 years, several attempts are being made to overcome the image of University as a regional University. The University's efforts towards excellence are being recognized by the substantial grants received from funding agencies like UGC, DST, DBT etc. Another indicator of recognition of University is collaborations with premier institutes in the country. Shivaji University has recently signed MOU with Bhabha Atomic Research Centre, Mumbai for research in Material Science. It has also joined hands with Indian Institute of Geo-Magnetism, Mumbai and industries like Phyto-Pharma. Prestigious institutes like Maharashtra Police Academy, Nashik and Centre for Social Studies, Surat have sought affiliation with the Shivaji University. Shivaji University has been re-accredited by National Assessment and Accreditation Council (NAAC) Bangalore, with "A" Grade (CGPA-3.16) (2014). Shivaji University has bagged the 28th position in the rankings announced by the National Institutional Ranking Framework (NIRF) of Union Ministry of Human Resource Development (MHRD). As per the INFLIBNET report, Shivaji University stands second in use of Nature publications Group's (NPG) e-journal usage in the country. The University has also signed MoU with Centre for Development of Advanced Computing (C-DAC), Pune. Under the agreement, the two institutions will exchange information and communication technology.

About Dr. Vithalrao Vikhe Patil College of Engineering, Ahmednagar

The Institute was established in the year 1983 in the proximity of Ahmednagar Industrial area offering undergraduate & postgraduate courses. Over the years it has grown into a premier institution with excellent teaching-learning environment to achieve excellence in imparting quality technical education thereby generating technocrats compatible with needs of current industries & society. Taking into consideration the excellent infrastructure, teaching learning process, research & development by students & faculty members, UG courses are accredited by National Board of Accreditation, New Delhi and College is Accredited by National Assessment & Accreditation Council (NAAC), Bangalore. The institution is affiliated to Savitribai Phule Pune University, recognized by the Government of Maharashtra & approved by AICTE (All India Council for Technical Education), New Delhi. The institution is located on beautiful picturesque & pollution free land of 25 acres at a distance of 12 km from Ahmednagar City on Nagar-Shirdi state highway.

Resource Centre in Data Sciences and Cyber Security:

National Resource Centre in Data Sciences and Cyber Security is established under the guidance RUSA Maharashtra from the grants received from the MHRD, Government of India under the 'Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMNMTT)' scheme. Objective of this centre is capacity building of human resource which is recognized as a critical element to strengthen not only the organization/institutions but even the people at grassroots level by spreading awareness Data Sciences. There is a large gap between demand and availability of trained human resource in Data Sciences, who can beneficially utilize the available information for cyber safety. Data Science trained human resource is needed both as the provider and user of Technology. This is vital for sustainable development so that informed decision making can be done at all levels.

About the Training:

Data Science- An interdisciplinary field, data science deals with processes and systems that are used to extract knowledge or insights from large amounts of data. Data extracted can be either structured or unstructured. Data science is a continuation of data analysis fields like data mining, statistics, predictive analysis. A vast field, data science uses a lot of theories and techniques that are a part of other fields like information science, mathematics, statics, chemometrics and computer science. Some of the methods used in data science include probability models, machine learning, signal processing, data mining, statistical learning, database, data engineering, visualization, pattern recognition and learning, uncertainty modeling, computer programming among others. With advancements of so much of data, many aspects of data science are gaining immense importance, especially big data. Data science is not restricted to big data, which in itself is a big field because big data solutions are more focused on organizing and preprocessing the data rather than analyzing the data. In addition, machine learning has enhanced the growth and importance of data science in the last few years. Data has real value and every information extracted from it can make or break businesses. Analytics is the intersection of business and data science, offering new opportunities for a competitive advantage. It unlocks the predictive potential of data analysis to improve financial performance, strategic management, and operational efficiency. Data analytics can lead to valuable insights that can determine leads to increase sales, fraud detection, pattern recognition and risk prediction in various domains. As part of this initiative, a Faculty Development Programme (FDP) is conducted to focus on the fundamentals of data science with hands-on sessions on every topic handled using python.

Objectives of the Training:

- Train 2000 faculties
- Building networks of professional
- Sensitizing cyber security & Data Sciences to masses at large for strengthening cashless transactions.

PRINCIPAL
Dr. Vithalrao Vikhe Patil
College of Engineering
Ahmednagar

Eligibility:

Faculty Members from Science and Technology, Humanities, Social Sciences, Commerce and Management discipline from Universities, Colleges, NITs, IIITs, Engineering Colleges and other Institutions of Higher Education. As the number of participants is limited to 40, preference will be given on First Come First Serve basis.

Programme Schedule:

Dates: 10th – 15th October 2019

Venue: Dr. Vitthalrao Vikhe Patil College of Engineering, Ahmednagar 414111

Day and Date	Course Contents
Day 1: Thursday, 10/10/2019	Introduction to Python
Day 2: Friday, 11/10/2019	Machine learning using Python
Day 3: Saturday, 12/10/2019	Data Analytics using Python
Day 4: Sunday, 13/10/2019	Hands on session on Python
Day 5: Monday, 14/10/2019	Hands on session on Machine Learning using Python
Day 6: Tuesday, 15/10/2019	Hands on session on Machine Learning using Python, Examination and Evaluation

The eligible candidates will be given confirmation is available on web-portal and it will also be informed through email. All confirmed participants will have to submit a relieving letter from their institution on the first day of the training.

Laboratory assignments:

1. Introduction to Python
2. Introduction to Machine Learning.
3. Importing data using python for analysis
4. Exploring data sets for analysis
5. Working with loops, metrics, data submission
6. Building Data-Frames, merging data-frames and visualization with data-frames
7. Data analytics using python
8. Matrices Preview
9. Building Your First Matrix

PRINCIPAL
Dr. Vitthalrao Vikhe Patil
College of Engineering
Ahmednagar

10. Dictionaries in Python
11. Matrix Operations
12. Explore & Define a ML use case
13. EDA and Feature Engineering
14. Working on Machine learning using python
15. Exploring your dataset
16. Importing data into Python
17. Filtering a Data Frame
18. Renaming Columns of a Data-frame
19. Exploratory Data Analysis
20. Univariate Analysis
21. Univariate Analysis 2
22. Simple & Multiple Linear
23. Regression
24. Regression Demo
25. Simple Network Servers
26. Package Managers
27. Importing data into Python

Registration:

Participants must register through online web-portal only. No need to send any printed documents to the Resource Center Shivaji University.

Registration Link: <http://sangnaksuraksha.com>

Registration details:

No Registration and participants free

Instructions for the Participants:

Attendance at all sessions is mandatory. Breakfast, Lunch and Tea will be provided.

Important Note:

This FDP under PMMMNMTT is applicable for CAS promotions as per UGC gazette.

 Pune University,
 Pune

INSPIRATION

Dr. Vitthalrao Eknathrao Vikhe Patil - Our Visionary philanthropist pioneered the cooperative movement in India by establishing the first cooperative sugar factory in Asia at Pravara nagar, a remote village in Ahmednagar district of Maharashtra. He made untiring efforts for the upliftment of rural masses and initiated various other social and educational movements. The deeds and accomplishments of Dr. Vitthalrao Vikhe Patil made him immortal and he is living and will live forever till the civilization exists in the hearts of the generations to come.

ABOUT DVVP FOUNDATION

To realize the visionary thoughts of Dr. Vitthalrao Vikhe Patil, his worthy son, Late Dr. Balasaheb Vikhe Patil (Padmashri Awardee), established Dr. Vitthalrao Vikhe Patil Foundation in the year 1982 with soul aim to provide education to rural masses. Now under the dynamic leadership of Hon'ble Radhakrishna Vikhe Patil & Hon'ble Dr. Sujay Vikhe Patil, the foundation is dedicated to provide quality education in the field of Medical, Engineering, Management, Pharmacy, Nursing, Physiotherapy, Agriculture, ITI, basic & higher Schooling.

ABOUT COLLEGE

The Institute was established in the year 1983 in the proximity of Ahmednagar industrial area offering undergraduate & postgraduate courses. The institute is affiliated to Savitribai Phule Pune University, Pune and recognized by the government of Maharashtra & approved by AICTE, New Delhi & Accredited by NAAC, Bangalore. Over the years it has grown into a premier institution with excellent teaching-learning environment to achieve excellence in imparting quality technical education thereby generating technocrats compatible with needs of current industries & society. Institute offers undergraduate courses in Civil, Electrical, Electronics & Telecommunication, Information Technology, Mechanical Engineering & Post Graduate courses in Mechanical Engineering (Design Engg.) & Civil Engineering (Structural Engg.). The institution is located on beautiful, picturesque & pollution free land at a distance of 12 km from Ahmednagar city on Ahmednagar-Mahad state highway (SH-10).

ABOUT THE DEPARTMENT

Mechanical Engineering Department is one of the oldest departments of the institution established in the year 1985. It has been providing excellent learning and research opportunities for undergraduate and post graduate students, in addition to providing consultancy services to multiple industries.

Since its inception, the department has gained a reputation in Savitribai Phule Pune University, Pune, (Formerly University of Pune) as renowned department due to high academic standards established by qualified, experienced and devoted faculty. Today, the Department of Mechanical Engineering attracts and features a rich diversity and quantity of talented individuals, with nearly 700 undergraduates, 50 postgraduates students and around 44 faculty members. All the laboratories in the department are well equipped and are at par with latest technology. The department has been accredited by NBA, New Delhi.
