Alumni Relation Cell

Under the visionary leadership of Dr. Radhakrishna Vikhe Patil, the institute strongly believes that alumni are lifelong ambassadors and valuable stakeholders who contribute significantly to the growth and reputation of the institution. The Chairman's guidance and encouragement have inspired the institute to strengthen alumni relations and build a vibrant network of former students actively engaged in academic, professional, and social development initiatives. His vision emphasizes maintaining enduring relationships with alumni and encouraging their meaningful participation in institutional progress.

To fulfill this vision, the Alumni Relations Cell has been established to maintain a strong and continuous connection between the institute and its alumni across different sectors and regions. The cell acts as a bridge between past and present students by promoting communication, collaboration, and a sense of belonging among alumni. It regularly organizes alumni meets, interaction sessions, guest lectures, mentoring programs, expert talks, and career guidance activities that encourage alumni to reconnect with their alma mater and contribute towards student development. The institute has also developed a dedicated alumni portal titled "Pravara Alumni Network" to facilitate effective communication and networking among alumni. The portal serves as a centralized platform for maintaining alumni records, sharing institutional updates, organizing events, and promoting professional interaction among alumni.

As the Coordinator of the Alumni Relations Cell, I continuously take initiatives to strengthen alumni engagement and foster long-term relationships for mutual growth and institutional development. Consistent efforts are made to enhance alumni participation through meaningful communication, collaborative activities, and interactive programs. Alumni actively support the institute through mentorship, internships, placement assistance, entrepreneurship guidance, and industry interaction, thereby enriching the academic environment and strengthening industry-academia collaboration. Their achievements and experiences continue to inspire present students and motivate them towards excellence, innovation, and professional success.

Prof. (Dr.) S. R. Udawant
Alumni Coordinator

Abstract:

The Alumni Association Committee is constituted to strengthen the relationship between the institution and its alumni and to support institutional development through alumni engagement. The Institute has active alumni association registered under Society Registration Act 1860, with registration number, Maharashtra /727/2009/Ahilyanagar dt. 20/11/2009 No.55924. The alumni are invited to support students and boost confidence by sharing their work experiences and industry requirement through expert lectures/seminars/workshop etc. They also extend support in placements, MoU and industrial visits. The Institute has constituted a committee to keep liaison with all alumni and coordinate the Interaction activities. The composition of the committee is as follows.

Objectives of the Alumni Association Committee

- To strengthen the relationship between the institution and its alumni for mutual growth and development.
- To utilize alumni expertise for student development, career guidance, and placement support.
- To promote alumni involvement in institutional activities, MoUs, and industry interaction.

Roles, Responsibilities & Functions of the Alumni Association Committee

- Acts as a link between the institution and alumni to maintain continuous engagement.
- Organizes alumni meets, guest lectures, seminars, and workshops to share industry experience.
- Supports training, internships, placements, and career opportunities for students.
- Facilitates industry–institute interaction, including MoUs and industrial visits.
- Maintains and updates the alumni database and communication network.
- Encourages alumni to contribute towards academic, infrastructural, and institutional development.
- Promotes alumni participation in mentoring, guidance, and motivational activities.
- Coordinates alumni involvement in quality improvement and institutional initiatives.
