About the Institute:

The Institute was established in the year 1983 in the proximity of Ahilyanagar M.I.D.C. area offering undergraduate & postgraduate courses. Over the years, it has grown into a premier institution with excellent teaching-learning environment to achieve excellence in imparting quality technical education thereby generating technocrats compatible with needs of current industries & society. The institution is located on beautiful picturesque & pollution free land of 25 acres at a distance of 12km from Ahilyanagar city on Nagar-Shirdi (a sacred place) state highway. Institute has Apple Center of Excellence and TCS ION partnership.

Vision : To empower the students for academic, professional, and social, enrichment through holistic and excellent technical and multidisciplinary education and promote lifelong learning to serve the nation.

MI 1 : To impart quality technical education in the domain knowledge with State-of-The-Art infrastructural facilities.

MI 2 : To establish Industry - Institute relationship to abreast with modern technology to inculcate research attitude and lifelong learning.

MI 3 : To prepare graduates with strong managerial and communication skills with strong professional ethics and values along with an understanding of societal, cultural, and environmental issues in accordance with NEP2020.

Course Offered : Following Undergraduate (UG), Postgraduate (PG) and Research (Ph.D.) Courses are offered by the institute with state of the art laboratories and teaching methodologies.

Name of the Branch	DTE Choice Code	Intake	Honors Courses Offered
B.E. Civil Engineering (NBA Accredited)	516119110	60	Department of Information Technology and Electronics & Telecommunication Engineering. 1. Artificial Intelligence and Machine Learning 2. Internet of Things. 3. Cyber Security 4. Data Science

M.E. VLSI & Embedded Systems	516134110	06	
Ph.D. Mechanical Engineering	-----	16	

Eligibility Criteria:

1) Maharashtra State Candidature Candidate :

- I) The candidate should be an Indian National:
- II) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Information Practice or Agriculture or Engineering Graphics or Business Studies or Electronics or Entrepreneurship and obtained at least 45% marks (at least 40% marks, in case of Backward class categories, Economically Weaker Section and Persons with Disability candidates belonging to Maharashtra State only) in the above subjects taken together and The Candidate should have appeared in all the subjects in MHT-CET 2026 and should obtain non zero score in MHT-CET 2026.
Or
- III) Passed minimum 3 years Diploma in Engineering and Technology and obtained at least 45% marks (at least 40% marks, in case of Backward class categories, Economically Weaker Section and Persons with Disability candidates belonging to Maharashtra State only).

2) For Maharashtra State Candidature Candidate and All India Candidature Candidate :-

- i) The Candidate should be an Indian National :
 - ii) Passed minimum three years or two years (Lateral Entry) Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of Candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) in any branch of Engineering and Technology from an All Indian Council for Technical Education or Central or State Government approved Institution or its equivalent;
or
 - iii) Passed B.Sc. Degree from a University Grants Commission (UGC) or Association or Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) and passed HSC or its equivalent examination with Mathematics as a subject:
or
 - iv) Passed D.Voc. Stream in the same or allied sector (refer Schedule III) ;
 - v) Any other criterion declared from time to time by the appropriate authority as defined under the Act.
- For details & update about Eligibility for Admission in First Year (FE) & direct Second Year Engineering (DSE), Post Graduate Course (ME), please refer DTE Website: www.dte.org.in

Scholarship & Concession :

All scholarship are available as per State Government rules.
100 % Benefit in Tution fees for Girls

Infrastructure : All department have excellent infrastructure such as classrooms with Audio-Video teaching aids, well equipped Laboratories, Language lab, Seminar Hall, Departmental library, Reading room, Computer lab. In addition to this, the common facilities like Central Library with Digital Facility, Central Computing Lab, Workshop, Gymkhana, Play grounds, Canteens etc. are also available.

Salient Features:

Central Library : It is fully computerized with 18,772 titles and 45906 books costing 1.36 crore rupees and has subscription to national & International technical e-journals, Magazines and Print Journal costing 15.4 lakhs rupees are subscribed every year.

Hostels : The institute has One boy's hostel with capacity of 180 students and Two girl's hostels accommodating 450 girls with uninterrupted power supply through express feeder line.

Gymkhana & Sports : The institute has a multipurpose hall for housing the state of the art gymnasium, indor games. Two sport grounds for outdoor games are also available.

Computing Facilities : Air conditional central computing facility comprising of 120 computers with UPS Backup is available. Total 772 Computers are available in the premise has free Wi-Fi connectivity.

Health Care / Transport / Bank : Super speciality Medical facility is available 24x7 to students at Dr. Vikhe Patil Memorial Hospital located within Foundation campus. Institute premises well connected by AMT (Ahilyanagar Municipal Transport). Banking facility is available within Institute premises.

For Students to get best Placement opportunities in various multinational companies extensive training efforts needs to be provided by the institute and we are ahead in that and implementing following Best practices for students betterment in their Career.

Unique Features of Training & Placement Cell :

- 1) GTT Data Solutions Pune is training partner to improve students in Quantitative Aptitude, Logical reasoning, Soft skills, Group discussions, Personal interviews (Training Will start from SE Semester II to BE Semester I) including professional Communication Skills training sessions Started from First Year Engineering as per NEP
- 2) All students will be given access to Learning Management System (LMS) App for Aptitude essentials & technical essentials course where students can directly access detailed study materials
- 3) Readymade Resume templates on Web portal of GTT Data Solutions Pune
- 4) Strategic Collaboration with various 15+Edutech companies like-Qspiders , Cyber Success, Java by Kiran , Cloud Technosoft , Fortune Cloud from Pune for free and 3 to 6 months Free Technical Training on various Emerging technologies such as Java Development , Java full stack , Python full stack , Software Testing , SQL for Placement opportunities in various IT Companies
- 5) Apple Centre of Excellence – ios Swift Language Training in 3 Semesters (Module 1 , Module 2 , Module 3) , Separate Apple computers Lab . In-house Globally certified Teaching staff.
- 6) Japanese Language Training: Preparing Students for N5 level Examination conducted by JLTAP (Japanese Language Teacher's Association of Pune)
- 7) 8-10 Days Technical Hands on Workshop on Various Topics through CSR Activities of FUEL , Pune , GTT Pune, Edunet , Pune (Eg. Full Stack Developer, AI , Machine Learning)
- 8) Around 100+ On campus Recruitment drives for students better placement opportunities
